

**Grand National Update:
Thursday, November 19, 2020**

At this point in time the NPA Grand National will go on as planned.

We have been in constant contact with the Kentucky Exposition Center and they have not told us anything to the contrary.

Due to the fluidity of the situation we will not deposit any entry checks until after the show.

Again, at this point in time the NPA Grand National will go on as planned.

If anything changes we will update the members immediately.

Thank you for your cooperation and understanding,

John DeCarlo Jr
NPA President
