

## 2021 National Pigeon Association Grand National Update

*Tuesday, December 8, 2020*

It is with much regret that I must inform you that the NPA Grand National in Louisville, KY has been cancelled.

Ed Pointer, show superintendent, received a call from the Kentucky Exposition Center on Monday 12/7 informing us that **all events at the KEC have been postponed until April at the earliest.**

We appreciate all of those that have made plans to attend and apologize for any inconvenience this has caused but unfortunately this decision is out of our hands.

I would like to wish everyone a Merry Christmas and Happy New Year and good luck with the upcoming breeding season. I certainly hope to see everyone in Amarillo in 2022.

Sincerely,  
John DeCarlo Jr.  
National Pigeon Association President
